

REMARKS/ARGUMENTS

Applicant has received the restriction requirement dated March 7, 2005.

Applicant provisionally elects Grouping I and traverses the restriction requirement for the following reasons. Applicant has cancelled claims 1-58 in favor of new claims 59-111, and the new claims address a single independent and distinct invention, in compliance with 37 C.F.R. § 1.141. As it is clearly illustrated, the teaching of Satellite E-mails is associated with E-mails and it cannot be claimed as an independent invention. Therefore, both embodiments are claimed as a single invention

Accordingly. Applicant respectfully requests
withdrawal of the requirement for restriction and timely entry of the amendment.

Respectfully submitted,
